

TAMAN TUN DR ISMAIL RESIDENTS' ASSOCIATION EXECUTIVE COMMITTEE 2016/2018

14 February 2018

Dear Residents,

1. The TTDI RA is categorically and firmly objecting to the proposed project as it will lead to further increase in traffic congestion in the area. Furthermore the project attempts to convert a residential property into commercial land. The quality of life in this residential area as we know now will deteriorate. That piece of property must be maintained as a residential land and we must prevent DBKL from changing the status of the land use.
2. We would like to seek the cooperation of all TTDI residents to write an objection letter to DBKL in protest towards the proposed project. For your convenience, we attached herewith a prepared letter for you to complete and sign. Please clearly write your name, address and email address and sign the letter. You may also download and print the sample letter at www.tamanrimbakiara.net/diyana
3. The TTDI RA will set up a collection desk on **Saturday, 24 February 2018 from 9.00 am to 4.00 pm at the Main Gate of Tadika Diyana, Lorong Datuk Sulaiman 1.** You may submit the completed letter there, personally or collectively via your respective representatives.
4. Should you have queries, kindly email us at ttdira.secretariat@gmail.com

Thank you.
